

Dear SDA members,

This coming Annual General Meeting marks a very special year in our history. Last September SDA hosted FDI and we have just concluded yet another successful IDEM. This year's AGM will also feature another the defining historical moment with our Constitution Amendment.

To mark this unique occasion, we will be holding the AGM at NUSS Guild House, Kent Ridge which needs no introduction to all of us. We will be picking a delectable menu for our buffet lunch before the start of the proceeding.

No doubt, this AGM will be an expensive affair as compared to our usual venues in the past. Thus, to help manage the catering and cost, members are requested to indicate attendance and dietary requirement by returning the form to the SDA Office by **Monday, 1<sup>st</sup> March 2010**.

Do remember to bring your SDA Membership Card for verification during the registration.

Thank you.

Yours faithfully,

Dr Kuan Chee Keong  
Acting Honorary General Secretary  
Singapore Dental Association.
